WEIGHT LOSS PROGRAM: MONTHLY CONSULTATION

Complete this form each month and upload it through our patient portal (or bring it to the office). Please do not email this form.

Monthly consultation fee: \$80 (online). Pay at athenafamilymedicine.com (Weight Loss page) or by phone, then submit this form. If you prefer to see Dr. Vo face to face, an **in-office follow-up visit is \$145** and replaces that month's online consultation. After Dr. Vo reviews your consultation, your prescription is sent to the **pharmacy of your choice**. You pay the pharmacy directly for your medication and any delivery fees. Athena Family Medicine is independent of all pharmacies.
